Benefits of Sponsorships

Sponsorship fees are tax deductible (receipts will be provided) and support our fundraising efforts to maintain an affordable program for our skaters and players as well as contribute to rink improvements. Last year we replaced a 20 + year old scoreboard and clock with a new Bluetooth scoreboard/clock system! Currently, we are planning to build 2 new locker rooms for the Travel and High School Hockey teams. This dream wouldn't be possible without your sponsorships!!!

Please consider a sponsorship for the 2010-2011 season.

* If you're interested in one of the rink signage options, please notify me as soon as possible! *
